 7 Groups are Pending Active

Good Morning,

I did learn something new this month. When I create a new group, I enter the District number. When GSO creates a new group, they do not enter a district number. Please send the new group form to me, so I can be certain that the new group is in the correct District.

NOTE: Your Area has 135 groups with a Status of Unknown. These groups will not receive mailings until they are marked Active. An Active group must have a Primary Contact for mailing and at least one Meeting Day and Time. To update any information, please select the correct status link below to view the group search results.

Groups that might need your attention:

Status	Count
<u>New Groups:</u>	<u>0</u>
<u>Pending Active:</u>	<u>7</u>
<u>Pending Inactive:</u>	<u>0</u>
<u>Incomplete:</u>	<u>0</u>
<u>Unknown:</u>	<u>135</u>

Prior to the Spring Conference I will send out a list of Unknown Groups for each District. At the Spring Conference I hope to receive some updates to these groups. I have my fingers crossed on that one.

Secretary Report: Vickie A,

Not much activity. Attended a meeting with District 10 DCM in White Lake WI. Attended an AA Meeting in Area 75 in Racine, WI on Saturday morning 10:30 a.m. meeting. Asked the Assembly if they would need any other information to be reported by Area Secretary. End of report.

Treasurer Report is attached separately and sent via email attachment with other scanned documents presented at the 4-27-2019 Assembly.

Alternate Delegate/Area Chair Report:

Hi everybody, this is my first report of the New Year and the first since last Octobers Assembly. Since that time I have shoveled an awful lot of snow and frozen my ass of in the brisk Wisconsin winter and praying we might at least see a month or two of spring, summer and fall before the next winter. On a service note I have continued to struggle with putting out an article a month for the Now & Then and I would like to thank our Editor for his continued patience with the deadlines and apologize to you all for some rather lackluster articles but I will continue to try and come up with something every month until my term is up. I was asked to participate at a workshop in District 02 last December and would like to thank them for the invitation and good workshop they put on. I attended the Conference of Delegates Past and Present in Schaumburg, Illinois this last February. It was my second time at this event and I learned a lot. I would like to thank Marty L. for going with me and for a great weekend. The DCM monthly phone call started back up this January and I have been able to make a couple of the calls and will be on for the April call. I would like to thank the DCM's for the continued invitation to join in, I enjoy the conversation. I was asked to take part in a conference call for the Now & Then conversion committee to offer some feedback. I am not too sure I was much help but I was very impressed with the work they have been doing, and look forward to hearing their presentation later today. I have continued to be in touch with many of you via email and have fielded some questions regarding our Area and will continue to do so. I was prepared and ready for the Delegates Workshop this last March but came down with one of the worst colds I have ever had. I went through 3 boxes of Kleenex in a day and a half and was running a midgrade fever for a couple of days. After consulting with my sponsor he directed me to get the necessary materials for the workshop to Sara and stay home and not infect my fellow area servants. I would like to thank Gayle Z. for getting the materials to Sara, and Sara for conducting the meeting for me. After this Assembly I will have the Spring Conference Assembly and Area Committee meeting to prepare for and attend. After that will be the Delegates report and possible Area Committee meeting in June in Three Lakes. I thank you all for allowing me to serve and God bless.

Respectfully submitted,

Jeff D. alt. Delegate/Area chair.
