Delegate's Corner

Greetings Area 74,

I hope this Newsletter finds you happy, joyous and free. For some of us this ideal is may be difficult to attain with the social distancing and lack of opportunities to meet new and old friends in a physical location to help us through these difficult times. I read this passage from a work article yesterday, *In today's world, we are all are facing unprecedented challenges: a pandemic, protests in the streets, racial discrimination, political tension, and more. Yet, in an increasingly polarized society, many norms of communication have broken down and current restrictions only exacerbate our inability to connect and address these difficult topics.* I know AA as a whole has no opinion on outside issues, yet we as individuals have our thoughts and feelings and we must share these thoughts and feelings with our closest friends and sponsor so we may maintain a healthy frame of mind. I am grateful we have our program that teaches us nothing is worth taking that first drink. For us to drink is to die, we need each other more than ever as we feel more distanced from what we once enjoyed. Area 74 will not be gathering as service group in person for the remainder of the year. We have a new Alternate Delegate/Area Chair, Bryon B to lead us with our next virtual assembly in October. I am impressed with the progress we have made in utilizing a virtual platform to make choices on how we interact to help the still suffering alcoholic. I am so happy that we as an Area listened to the feedback of our membership (through the Ad-Hoc Committee) and passed some simple motions that will help us become more efficient and effective at carrying the message. Communication is necessary. We need to understand why we do things the way we do and make improvements. The Ad-Hoc Committee discovered many areas for improvement and concern. Let us please continue the discussions on what was discovered with the data.

Our Area 74 inventory was meet with resistance. We will regroup with new members added to the committee and take our direction from a facilitator. I challenge all to take a few minutes to spot-check our inventories on our own actions. We are passionate people, and this may translate into being a bulldozer. We ask our Higher Power to join us on our journey each day. My 11th step prayer includes the words May I forever be open to your presence

Char V.

FROM THE AREA 74 ALTERNATE DELEGATE/ AREA CHAIR

Greetings to All in Area 74,

I want to start by stating that I am thankful for the opportunity to serve the Area as Alternate Delegate/ Area Chair. This continues my journey in service work for the organization that saved my life. When I Say AA saved my life, I mean that in a spiritual, emotional, and physical sense.

As I am starting to wrap my head around the duties of this position, I need to be mindful of the overall goal of the AA Service Structure. When I was the DCM for District 05 I had the privilege to lead some workshops on “Money and AA”. As I was preparing for the workshop, I read the AA pamphlet “Self-Support: Where Money and Spirituality Mix ---F3”. The following except from page 6 of that pamphlet has helped me to better understand my role as a servant in AA.

““Now, where do A.A.’s services — worldwide, area, local — fit into our scheme of things?” asked Bill W. in an October 1967 article in the A.A. Grapevine. “Why should we provide these functions with money?” According to Bill, “The answer is simple enough. Every single A.A. service is designed to make more and better Twelfth Step work possible, whether it be a group meeting place, a central or intergroup office . . . or the world service Headquarters....”

When I am serving the Fellowship in any capacity, I ask myself this simple question, “Is what I am about to do or not do make more and better Twelfth Step work possible”.

Thank you for allowing me to be of service,

Bryon B

****NOTE FROM THE DELEGATE:** The servants of Area 74 are excited to provide the **dates for the Area 74 Service Structure**. We are lucky to live in an area that hosts many conferences, workshops and fellowship events. As your trusted servants, we sometimes miss the chance to participate in local events because they conflict with the service events you have entrusted us to conduct. We hope that, by providing the Area 74 service structure dates in early fall; they can be considered as you plan your service and fellowship events for the coming year. We look forward to seeing you.

NOTE FROM CO-EDITORS: We have combined the general events and the Area 74 Service Structure events into one calendar. **BOLD = AREA 74 events** UNBOLD = General AA events in our area

AREA 74 2021 PROPOSED BUDGET

The Area 74 Finance Committee is meeting in the weeks prior to the October 24th Assembly and the Now & Then will distribute the Proposed Budget through its distribution list as soon as it is available. It is a difficult process this year and everyone's tolerance, patience, and consideration is greatly appreciated.

MOTION on HOW WE DO BUSINESS

HISTORY

Currently Area 74 has scheduled 4 Area Assemblies, 2 of them in conjunction with a Conference, and 3 Area Committee meetings. The Area committees will meet on an as-needed basis. The Assemblies that include the Area Conference will have speakers, workshops and a dinner dance. The Delegate will give their report at the 2nd Assembly, in addition to a Delegate Workshop before the General Service Conference. In addition, there can be Area Committee Meetings on an ad-hoc basis.

As pointed out in the CAB Revisited report by combining the Conference with the Assembly the people attending the Assembly do not have the opportunity to participate in many of the workshops, panels, speakers, and other activities because they are tending to business with the Assembly.

The combining of the Conference and Assembly was brought about by an Assembly motion in 20XX.

MOTION

We make the Following motion

1. The purpose of the Area Assembly is to conduct Area business. As such the Conference should be spun out as a separate activity apart from the Assembly.
2. The Delegate has the responsibility to schedule The Delegate's report as they see fit.
3. Area business would be conducted with 2 Area Committee Meetings, and 2 Area Assemblies per year, with the Area Committee Meeting being a 1-day event, and the Area Assembly being a 2-day event.

REVIEW

The Area Committee Meetings would take place in the 1st and 3rd quarter of each year. The Area Committee Meeting would consist of the Area Officers, DCM's, and Area committee chairs. The purpose of this meeting is to develop the agenda for The Area Assembly that is scheduled to meet in during the 2nd and 4th quarter of the year. In addition, they would pick workshop topics for the workshops that would take place Saturday morning of the Assembly.

The Area Assembly would consist of a 2-day meeting.

The Area committees would hold their meetings on Friday night. This will give a central location, and time for the Area committees, and a chance for everyone to participate in the Area committees.

Saturday morning would be dedicated to the workshops that were chosen during the Area Committee meeting. Saturday afternoon would be dedicated to handling the business of the area. This would consist of the Agenda items from the Area Committee meeting, and motions coming from the Area committee meetings that took place Friday Night, and any motions from the floor.

In the event of a Special Assembly (i.e. election assembly) we could forgo the workshops on Saturday morning, and replace these with the business session of the Assembly, and the Special part of the Assembly taking place on Saturday afternoon, or we can continue with the workshops in the morning, business session in the afternoon, and the Special part of the assembly in the evening.

SPOTLIGHT ON THE DISTRICTS

Greetings from District 20!

We are located on the beautiful Shores of Lake Superior on one end and Lake Michigan on the other. We are made up of Munising, Manistique, Newberry and so many special little places in between. We are known for our tourist attractions which would be the beautiful shores of any lake you may find yourself on or waterfall.

District 20 is made up of 18 meetings in person right now and two meetings online. We also have our district meeting online right now as well. In “normal” time our District meeting is in Germfask Mi, which is about an hour for me to drive, a little more or a little less for others. It is the most centralized meeting place for us. For me to drive to any Area service function I minimally drive 3 hours up to 7 hours.

District 20 was dark for many years and it took a couple service minded men and ladies to get us back up and running, our oldest meeting that I could find any information on was Grand Marais meeting in December of 1978 started by a gentleman named Oscar. We do have meetings in Alger County Jail that houses three Counties, but right now due to COVID we aren't allowed in there. We do have Intergroups, and Workshops! We are a small but mighty District up here in our neck of the woods.

We are planning the 2021 Spring Conference that is to be held in Marquette Mi. We are excited about that and we just finished our first set of District Guidelines!

We are small but we all work together, and we love service and District 20!

From all of us in District 20!

FROM THE FELLOWSHIP

I recently read the Area 74 Financial Report and saw that we have over \$38,000 in the Area account. In my opinion, this violates our Traditions and our Concepts. Here is how I think self-support works – If I can afford to, I contribute to my Home Group, my Home Group contributes to my District, my District contributes to the Area, the Area contributes to GSO. All of this supports essential services and depends on a Prudent Reserve. It is not the Area's responsibility to fund the Districts, it is the District's responsibility to fund the Area.

Since AA gives us the power of the purse, I have asked our treasurer to bring up a resolution to withhold contributions to the Area until it reduces its balance to a more reasonable level. I'd encourage all the Districts to do the same.

On a personal note, AA gave me the gift of sobriety. I want AA to be there next person who comes through the door. All of our service entities play a role in ensuring our survival. Let's remember in the words of Tradition XII “to place principles before personalities.

MEMORANDUM

Date: September 21, 2020

To: Members of the General Service Conference

From: Patrick Claymore, secretary, Conference Agenda Committee

Re: Conference Agenda Committee Request for Theme Suggestions

Dear Friends,

The members of the 2000 Conference Agenda Committee, included in their report as an additional consideration that:

“The staff secretary prepare a letter and form to be sent out annually in early August to all Conference members to gather suggestions for the Conference theme, presentations and workshop topics.”

Theme, presentation and workshop topics for each General Service Conference are discussed by delegates during the week of the Conference.

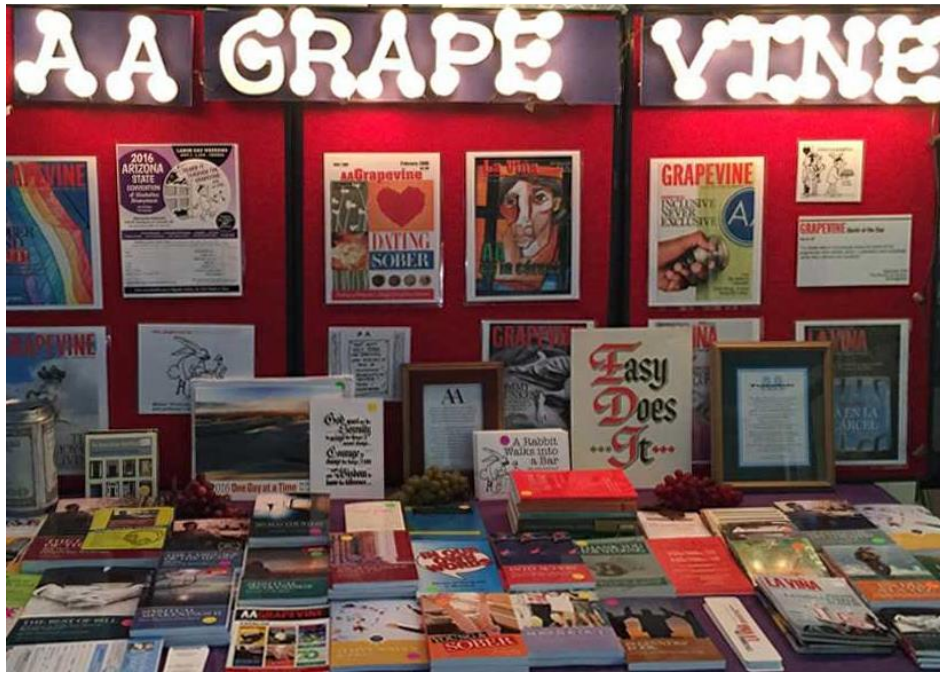

Theme, presentation and workshop topics revolve around basic principles of A.A. and can spark thought-provoking discussion at Area and district meetings as well. Regions, areas and districts may incorporate discussion of these topics into workshops, meetings, pre-Conference assemblies, etc. This gives A.A. members the opportunity to participate and become more informed about A.A.

The 2021 Conference Committee on Agenda will consider suggestions for a theme, presentation and workshop topics for 2022. We hope that you will assist us by asking members in your area to offer suggestions for the theme, workshop and presentation topics for the 71st annual meeting of the General Service Conference next spring.

Please send suggestions in by December 15, 2020. A list of past Conference themes is enclosed for your reference, as well as a form for your convenience in submitting suggestions.
