Delegate's Corner

Good day Area 74,

My first month of service as Delegate has been busy with meetings and learning the process of being a Delegate. I have been assigned to the Conference Committee on Agenda and have been given access to the “dashboard”, which is the online location that distributes the information relative to the upcoming General Service Conference. This is a breakdown of the meetings I have been attending (either conference call or Zoom):

- Planning Committee for the Conference of Delegates Past and Present.
- Conference Committee on Agenda
- Attended the District 05 GSR meeting on 1-12-2022 at their request and gave a short presentation on Tradition 1.
- Area 74 Finance Committee Meeting
- East Central Regional Breakfast Meeting

The Final Agenda Items and background material will be available for distribution on 2-15-2022, or shortly thereafter. I will send out an email with the agenda items attached as a PDF and will set up a secure online location for the background information. The link to the background information will be sent out to the Area 74 Officers, the Committee Chairs, and the DCM's. Some Districts in the past have set up their own workshops to discuss the Agenda Items before the Delegate's workshop on 3-5-2022.

As stated in the January Now and Then, the Delegates workshop is scheduled to be held in Three Lakes and will be a hybrid style meeting. There are 2 volunteers that will be assisting me with the technical end of the process.

I will be attending the Conference of Delegates Past and Present (CDPP) in Appleton, WI.

I was recently talking with a newcomer after one of my meetings. We were talking about how it is essential that we have a belief in a power greater than ourselves, with that belief we can then develop a trust in that higher power, and with that trust we can have faith that events in our life will turn out the way they are supposed to be. That is an attitude that I will do my best to carry forward in my service as Delegate to Area 74.

In Service,

Bryon Bensen

FROM THE AREA 74 ALTERNATE DELEGATE/ AREA CHAIR

Where did January go?! I hope everyone is having a good beginning to 2022 and you are finding ways to stay safe, participate in your recovery, and enjoy each day. I am just returning from a little post new-year get-a-way. One of my favorite things to do while traveling is going to an AA meeting. On cruise ships they have a “friends of Bill” meeting and always enjoy meeting people from around the country. For me, it is a little tipping of the hat to what has given me the life I have today and allowing me to travel and do what I do.

Speaking of meeting people from around the country. On January 1st, I participated in a monthly Zoom call for Alternate Delegates. The call is the 1st of every month at 7:00 CST. There were over 40 people on the call from North America – it was exciting to have my AA circle widen. I am excited to learn from these Delegate Areas as it seems many of them are going hybrid and entering new territory as we are as well!

I want to congratulate the Eau Claire WICYPAA Bid Committee – they won the bid at this year’s WICYPAA Conference in Milwaukee and will be hosting the conference in 2023! That means WICYPAA will be held in Area 74!

I look forward to attending the East Central Regional Conference of Delegates Past and Present the weekend before Valentine’s.

If there is anything I can do for your District, Group or Committee please let me know – speaking of committees, I would like to schedule a time to chat with the newly elected Committee Chairs to begin thinking about the work you want to do the next two years and how we can support it!

Please reach out and let me know how I can be of service to you

With blessing and gratitude,
Nicholas Stabenow-Schneider

****NOTE FROM THE DELEGATE:** The servants of Area 74 are excited to provide the **dates for the Area 74 Service Structure**. We are lucky to live in an area that hosts many conferences, workshops and fellowship events. As your trusted servants, we sometimes miss the chance to participate in local events because they conflict with the service events you have entrusted us to conduct. We hope that, by providing the Area 74 service structure dates in early fall; they can be considered as you plan your service and fellowship events for the coming year. We look forward to seeing you.

NOTE FROM CO-EDITORS: We have combined the general events and the Area 74 Service Structure events into one calendar.

Origin and Purpose of C.P.C. (Cooperation with the Professional Community)

“Our Twelfth Step — carrying the message — is the basic service that the A.A. Fellowship gives; this is our principal aim and the main reason for our existence. Therefore, A.A. is more than a set of principles; it is a society for alcoholics in action. We must carry the message, else we ourselves can wither and those who haven’t been given the truth may die.” The A.A. Service Manual, “A.A.’s Legacy of Service,” page S1. C.P.C. came into being as a distinct entity in 1970 when the trustees’ committee was formed as an outgrowth of the Public Information Committee. In 1971, the Conference C.P.C. Committee was established. Today, many local communities, areas and regions consider C.P.C. an activity separate from public information, treatment or corrections work. In some places, though, there is overlap. Members of C.P.C. committees inform professionals and future professionals about A.A. — what we are, where we are, what we can do, and what we cannot do. They attempt to establish better communication between A.A.s and professionals, and to find simple, effective ways of cooperating without affiliating

C.P.C. Work and Why A.A.s Do It.

Cooperating with nonalcoholic professionals is an effective way to carry the message to the sick alcoholic. Such people often meet the alcoholic in places where A.A. is not present. Through professionals, alcoholics may be reached who might otherwise never find the program, or they may be reached sooner with the help of informed non-A.A.s. Here is a list of jobs and professions that C.P.C. committees have approached. Your committee may think of others: alcoholism or substance abuse counselors; armed forces officers, unit commanders or military chaplains; athletic coaches; corrections officers; court officials; educators; employers or employee assistance professionals; health care professionals (doctor, nurse, psychiatrist, psychologist, etc.); clergypersons; judges; juvenile services professionals; law enforcement officers; lawyers (prosecutor, defense attorney); probation or parole professionals; professional students; public health officials; senior services professionals; social workers; union officials. A professional can be a family doctor or other health care professional, a member of the clergy, a law enforcement or court official, an educator, a social worker, an alcoholism or other counselor, or anyone who deals with problem drinkers in the course of their work. Many of these people often encounter the suffering alcoholic, and in spite of public awareness, many of them simply don’t know what to do with a drunk. C.P.C. work
