Area registrars develop and maintain records of all groups in their area through Fellowship Connection, a user-friendly interface that facilitates information sharing between areas and G.S.O. G.S.O. only uses the G.S.R.'s information for communication purposes and to help foster connection within the General Service Structure <https://www.aa.org/your-group-linked-aa-whole>. A group listing does not constitute or imply an approval or endorsement of any group's practice of the A.A. program. Tradition Four says, "Each group should be autonomous except in matters affecting other groups or A.A. as a whole." Hopefully, every A.A. Group adheres closely to the guiding principles of the Steps, Traditions, and Concepts. A.A.'s Traditions suggest that a group not be named after a facility or person (living or deceased), and that the name of a group not imply affiliation with any sect, religion, organization or institution.
