### Delegate's Corner

Hi Everyone!

March Madness is upon us!!! Our Delegate's Workshop is tomorrow! I am so excited to see many of you twice this month – Wausau on the 2<sup>nd</sup> and Rhinelander on the 30<sup>th</sup>. At the Conference of Delegate's Past and Present in Muncie, IN; the Panel 74 Delegates did a practice run of presenting their 2-minute area highlights (this is something we will do at the Conference in New York). While working on writing my highlights I was in the book and I don't know if this has happened to you, my book CHANGED! For years my book said "We realize we know only a little. God will disclose more to you and to us." On Thursday, February 8<sup>th</sup>, 2024, my book changed to say; "We realize we know only a little. God will *constantly* disclose more to you and to us." This is the beauty of recovery, as I grow in this program my experience with the program changes, my experience with the literature changes, my experience with you changes.

I have been busy. You can see my list of activities below and I hope I can visit your group/committee/district or event soon. Let me know when it is happening; I would love to attend. I recently was invited to attend the District 5 monthly GSR meeting and had some great questions from the fellowship.

At the Delegate's Conference of Past and Present I participated in our mock conference and was elected to chair that committee next year so if you have any suggestions for a mock conference agenda item I would love to hear about it.

I want to give a huge thank you to our Webmaster Lucas. He has done an incredible job uploading the agenda items and background material and making it accessible to all the members of Area 74.

**Agenda Items and background material are located at [www.area74.org](http://www.area74.org) Click on the button that says "74<sup>th</sup> General Service Conference"**

I have decided to use a portion of my delegate budget: \$300 to test a survey tool that a number of other delegates have used in their areas. After the Delegate's workshop I will be compiling a survey that will be available to all members of Area 74 to share their thoughts on a number of the Conference Agenda Items. My hope is to have maximum participation from the fellowship. The survey will designate if you are answering the survey on behalf of yourself or a group. I will be trying this this year and seeking feedback from all of you on it.

I will also be holding virtual office hours between now and conference as an opportunity to answer questions and receive input. My excitement has been growing and in honesty, some travel nervousness. I thank you for this opportunity – what a ride.

**Activity:** I share the list of my activities so the Fellowship is aware of what their delegate is connected to and involved in and to also raise awareness of these activities and make myself available for questions, clarification, and hopefully invites to events in your District.

### Thoughts from Your Area 74 Chair / Alt Delegate

February was a very busy month for this Alcoholic! I attended the conference of delegates past and present in Muncie, Indiana. It was a great learning experience on my journey through our fellowship to become a more effective servant leader. This was an opportunity to meet and get to know my fellow alternate delegates from the east central region.

I continue to attend the three different monthly online meeting of the NAAD (North American alternate delegates), the Area Chair, and the Area Share. These are a great way to share and learn from others in the same service positions as we are serving. This is open to all 93 areas of the US and Canada.

I would like to thank Past Delegate Sara P. For conducting a GSR workshop for the new GSRs starting their two years of service before our February 01 District meeting on the 8th of the month. Attendance was approximately 35 to 40 members and several guests from district 02. I would encourage any districts or groups to reach out to your area 74 servants if you want to conduct workshops on service opportunities in your districts.

If you need a DCM or better understanding how to get members interested in being a GSR, we are here to help.

In February we held our first Ad Hoc committee meeting on what our meeting schedule will change, as we implement the approved direction our Area 74 will conduct business for 2025 and 2026. More to come on that.

Thank you for letting me be of service!

Bill D Area 74 Chair/alt delegate

**\*\*NOTE FROM THE DELEGATE:** The servants of Area 74 are excited to provide the **dates for the Area 74**

**Service Structure.** We are lucky to live in an area that hosts many conferences, workshops and fellowship events. As your trusted servants, we sometimes miss the chance to participate in local events because they conflict with the service events you have entrusted us to conduct. We hope that, by providing the Area 74 service structure dates in early fall; they can be considered as you plan your service and fellowship events for the coming year. We look forward to seeing you.

NOTE FROM CO-EDITORS: We have combined the general events and the Area 74 Service Structure events into one calendar.

*“Isn’t the Plain Language Big Book changing the founder’s writings?” - Member of Alcoholics Anonymous.*

The pending Plain Language Book of Alcoholics Anonymous is a translation of the 4<sup>th</sup> Edition of the Big Book of Alcoholics Anonymous into Plain and Simple Language. To learn more about Plain and Simple Language one can look up the Plain Writing Act of 2010. Members of the 73<sup>rd</sup> General Service Conference were able to view the 1<sup>st</sup> couple of chapters of the translation. This year, each member of the conference will have 90-minutes to review the translation which has been completed. Before the book is published the conference must approve it with substantial unanimity.”

## A Note from the Registrar:

Just a brief recap of where AREA 74 stands as of February:

- 1487 groups listed
  - 644 active
  - 633 Inactive
  - 114 unknown
  - 3 new groups pending
  - 2 incomplete

I've created new change forms that will hopefully make things easier for you. These forms can be found on the Area 74 Website. When submitting them to me (please do not send them to Member Services in New York), do your best to make sure you include any old information you have so I can make sure we get the correct data loaded. If you are unsure of your group ID number, check with your local DCM. Please do not use the old FNV numbers as New York is no longer using them.

DCM'S – Please go on Fellowship Connection and review your Districts, especially those that are inactive or unknown. They are usually listed that way because information is missing (group contact, GSR, location, e-mail address, etc.) We as Registrars are working diligently with GSO to get the system cleaned up. Let's do our part!

As always, if you have any questions, please feel free to reach out:

Area registrars develop and maintain records of all groups in their area through Fellowship Connection, a user-friendly interface that facilitates information sharing between areas and G.S.O. G.S.O. only uses the G.S.R.'s information for communication purposes and to help foster connection within the General Service Structure <https://www.aa.org/your-group-linked-aa-whole>. A group listing does not constitute or imply an approval or endorsement of any group's practice of the A.A. program. Tradition Four says, "Each group should be autonomous except in matters affecting other groups or A.A. as a whole." Hopefully, every A.A. Group adheres closely to the guiding principles of the Steps, Traditions, and Concepts. A.A.'s Traditions suggest that a group not be named after a facility or person (living or deceased), and that the name of a group not imply affiliation with any sect, religion, organization or institution.
